AMENDED IN ASSEMBLY APRIL 14, 2016

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

## ASSEMBLY BILL

No. 1616

---

**Introduced by ~~Committee on Budget (Assembly Members Ting (Chair), Travis Allen, Bigelow, Bloom, Bonta, Campos, Chávez, Chiu, Cooper, Gordon, Grove, Harper, Holden, Irwin, Kim, Lackey, McCarty, Melendez, Mullin, Nazarian, O'Connell, Patterson, Rodriguez, Thurmond, Wilk, and Williams)~~ Committee on Budget (Assembly Members Ting (Chair), Bloom, Bonta, Campos, Chiu, Cooper, Gordon, Holden, Irwin, McCarty, Mullin, Nazarian, O'Donnell, Rodriguez, Thurmond, and Williams)**

January 7, 2016

---

~~An act relating to the Budget Act of 2016. An act to add Chapter 3.132 (commencing with Section 15820.94) to Part 10b of Division 3 of Title 2 of the Government Code, relating to correctional facilities, and making an appropriation therefor, to take effect immediately, bill related to the budget.~~

### LEGISLATIVE COUNSEL'S DIGEST

AB 1616, as amended, Committee on Budget. ~~Budget Act of 2016.~~ *Correctional facilities; construction; financing.*

*Existing law authorizes the Board of State and Community Corrections or the Department of Corrections and Rehabilitation, the State Public Works Board, and a participating county, as defined, to acquire, design, and construct an adult local criminal justice facility approved by the Board of State and Community Corrections, or to acquire a site or sites owned by, or subject to a lease option to purchase*

held by, a participating county. Existing law authorizes the State Public Works Board to issue up to \$500,000,000 in revenue bonds, notes, or bond anticipation notes to finance the acquisition, design, and construction of approved adult local criminal justice facilities. The funds derived from those revenue bonds, notes, or bond anticipation notes are continuously appropriated for those purposes.

This bill would enact provisions similar to the provisions described above authorizing the board of State and Community Corrections or the Department of Corrections and Rehabilitation, the State Public Works Board, and a participating county, as defined, to acquire, design, and construct an adult local criminal justice facility, as defined. The bill would authorize the State Public Works Board to issue up to \$270,000,000 in revenue bonds, notes, or bond anticipation notes to finance the acquisition, design, and construction of approved adult local criminal justice facilities, setting aside \$20,000,000 to be awarded to Napa County, and would continuously appropriate the funds for those purposes. Because the bill would continuously appropriate funds for these purposes, it would make an appropriation. The bill would establish procedures for approving and funding these projects.

This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

~~This bill would express the intent of the Legislature to enact statutory changes relating to the Budget Act of 2016.~~

Vote: majority. Appropriation: ~~no~~-yes. Fiscal committee: ~~no~~ yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1     SECTION 1. Chapter 3.132 (commencing with Section  
2     15820.94) is added to Part 10b of Division 3 of Title 2 of the  
3     Government Code, to read:

4  
5             CHAPTER 3.132. FINANCING OF ADULT LOCAL CRIMINAL  
6                             JUSTICE FACILITIES - 2016  
7

8     15820.94. (a) For purposes of this chapter, “participating  
9     county” means a county, city and county, or regional consortium  
10    of counties, within the state that has been certified to the State  
11    Public Works Board (board) by the Board of State and Community  
12    Corrections (BSCC) as having satisfied all of the requirements set

1 *forth in this chapter for financing an adult local criminal justice*  
2 *facility pursuant to this chapter.*

3 *(b) (1) For purposes of this chapter, an adult local criminal*  
4 *justice facility may include improved housing with an emphasis*  
5 *on expanding program and treatment space as necessary to*  
6 *manage the adult offender population under the jurisdiction of the*  
7 *sheriff or county department of corrections, as may be applicable,*  
8 *consistent with the legislative intent described in Sections 17.5*  
9 *and 3450 of the Penal Code, to be further defined by the BSCC in*  
10 *duly adopted regulations.*

11 *(2) For purposes of this chapter, an adult local criminal justice*  
12 *facility may also include custodial housing, reentry, program,*  
13 *mental health, or treatment space necessary to manage the adult*  
14 *offender population under the jurisdiction of the sheriff or county*  
15 *department of corrections, as may be applicable, consistent with*  
16 *the legislative intent described in Sections 17.5 and 3450 of the*  
17 *Penal Code, to be further defined by the BSCC in duly adopted*  
18 *regulations.*

19 *15820.940. (a) The BSCC or the Department of Corrections*  
20 *and Rehabilitation (CDCR), a participating county, and the board*  
21 *are authorized to acquire, design, and construct an adult local*  
22 *criminal justice facility approved by the BSCC pursuant to Section*  
23 *15820.945, or to acquire a site or sites owned by, or subject to a*  
24 *lease or option to purchase held by, a participating county. For*  
25 *the purposes of this chapter, acquisition shall include, but is not*  
26 *limited to, acquisition of completed facilities through a build-to-suit*  
27 *purchase. Facilities financed pursuant to this chapter may be*  
28 *delivered through either a design-bid-build or a design-build*  
29 *process. The ownership interest of a participating county in the*  
30 *site or sites for an adult local criminal justice facility shall be*  
31 *determined by the board to be adequate for purposes of its*  
32 *financing in order to be eligible under this chapter.*

33 *(b) Notwithstanding Section 14951, the participating county*  
34 *may assign an inspector during the construction of the adult local*  
35 *criminal justice facility.*

36 *(c) The BSCC or the CDCR, a participating county, and the*  
37 *board shall enter into an agreement for each adult local criminal*  
38 *justice facility that shall provide, at a minimum, performance*  
39 *expectations of the parties related to the acquisition, design, and*  
40 *construction, including, without limitation, renovation, of the adult*

1 *local criminal justice facility; guidelines and criteria for use and*  
2 *application of the proceeds of revenue bonds, notes, or bond*  
3 *anticipation notes issued by the board to pay for the cost of the*  
4 *approved adult local criminal justice facility; and ongoing*  
5 *maintenance and staffing responsibilities for the term of the*  
6 *financing.*

7 *(d) The agreement shall include a provision that the*  
8 *participating county agrees to indemnify, defend, and hold*  
9 *harmless the State of California for any and all claims and losses*  
10 *arising out of the acquisition, design, and construction of the adult*  
11 *local criminal justice facility. The agreement may also contain*  
12 *additional terms and conditions that facilitate the financing by the*  
13 *board.*

14 *(e) The scope and cost of the adult local criminal justice*  
15 *facilities shall be subject to approval and administrative oversight*  
16 *by the board.*

17 *(f) For purposes of compliance with the California*  
18 *Environmental Quality Act (Division 13 (commencing with Section*  
19 *21000) of the Public Resources Code), the board, BSCC, and the*  
20 *CDCR are not a lead or responsible agency; the participating*  
21 *county is the lead agency.*

22 *15820.941. Upon a participating county's receipt of responsive*  
23 *construction bids or design-build proposals, or a participating*  
24 *county's notification to the board of its intent to exercise a*  
25 *purchase option, and after the adult local criminal justice facility*  
26 *has been certified pursuant to Section 15820.94, the board and*  
27 *the BSCC or the CDCR may borrow funds for project costs from*  
28 *the Pooled Money Investment Account pursuant to Sections 16312*  
29 *and 16313, or from any other appropriate source. In the event any*  
30 *of the revenue bonds, notes, or bond anticipation notes authorized*  
31 *by this chapter are not sold, the BSCC or the CDCR shall commit*  
32 *a sufficient amount of its support appropriation to repay any loans*  
33 *made for an approved adult local criminal justice facility.*

34 *15820.942. (a) The board may issue up to two hundred seventy*  
35 *million dollars (\$270,000,000) in revenue bonds, notes, or bond*  
36 *anticipation notes, pursuant to Chapter 5 (commencing with*  
37 *Section 15830), to finance the acquisition, design, and construction,*  
38 *including, without limitation, renovation, and a reasonable*  
39 *construction reserve, of approved adult local criminal justice*  
40 *facilities described in Section 15820.940, and any additional*

1 amount authorized under Section 15849.6 to pay for the cost of  
2 financing.

3 (b) Proceeds from the revenue bonds, notes, or bond anticipation  
4 notes may be used to reimburse a participating county for the costs  
5 of acquisition, design, and construction, including, without  
6 limitation, renovation, for approved adult local criminal justice  
7 facilities.

8 (c) Notwithstanding Section 13340, funds derived pursuant to  
9 this section and Section 15820.941 are continuously appropriated  
10 for purposes of this chapter.

11 15820.943. In support of this state financing, the Legislature  
12 finds and declares all of the following:

13 (a) California's current challenges in managing jail populations  
14 follow decades of overcrowded and aging jails, and piecemeal,  
15 erratic, and incomplete responses to dealing with these problems.  
16 Reversing course will require sustainable solutions that must  
17 include sound planning and implementation, and must be grounded  
18 in the principle that jail resources must be well-planned and  
19 employed efficiently and effectively to prevent overcrowding and  
20 promote public safety through the broader use of evidence-based  
21 practices and policies in the criminal justice system.

22 (b) California needs a long-term, statewide strategy to effectively  
23 manage its jail population and jail resources. Without an ongoing  
24 analytical framework for taking into account factors such as  
25 population growth, criminogenic needs of the current and future  
26 jail populations, crime rates, custodial housing needs, and  
27 additional changes to realignment or sentencing laws and  
28 practices, California will continue to resort to reactive,  
29 fragmentary fixes to its jail condition and capacity problems  
30 instead of being fully prepared to develop an effective and  
31 sustainable system of local custodial facilities.

32 (c) The county adult criminal justice system needs improved  
33 housing with an emphasis on expanding program and treatment  
34 space to manage the adult offender population under its  
35 jurisdiction.

36 (d) Improved county adult criminal justice housing with an  
37 emphasis on expanding program and treatment space will enhance  
38 public safety throughout the state by providing increased access  
39 to appropriate programs or treatment.

1     (e) By improving county adult criminal justice housing with an  
2     emphasis on expanding program and treatment space, this  
3     financing will serve a critical state purpose by promoting public  
4     safety.

5     (f) This purpose represents valuable consideration in exchange  
6     for this state action.

7     15820.944. With the consent of the board, the BSCC or the  
8     CDCR and a participating county are authorized to enter into  
9     leases or subleases, as lessor or lessee, for any property or  
10    approved adult local criminal justice facility and are further  
11    authorized to enter into contracts or other agreements for the use,  
12    maintenance, and operation of the adult local criminal justice  
13    facility in order to facilitate the financing authorized by this  
14    chapter. In those leases, subleases, or other agreements, the  
15    participating county shall agree to indemnify, defend, and hold  
16    harmless the State of California for any and all claims and losses  
17    accruing and resulting from or arising out of the participating  
18    county's use and occupancy of the adult local criminal justice  
19    facility.

20    15820.945. (a) The BSCC shall adhere to its duly adopted  
21    regulations for the approval or disapproval of adult local criminal  
22    justice facilities. The BSCC shall also consider cost effectiveness  
23    in determining approval or disapproval. No state moneys shall be  
24    encumbered in contracts let by a participating county until one of  
25    the following occurs:

26    (1) Final architectural plans and specifications have been  
27    approved by the BSCC, and subsequent construction bids have  
28    been received.

29    (2) Documents prepared by a participating county pursuant to  
30    paragraph (1) of subdivision (a) of Section 22164 of the Public  
31    Contract Code have been approved by the BSCC, and subsequent  
32    design-build proposals have been received pursuant to that section.

33    (3) The participating county has notified the board of its intent  
34    to exercise an option to purchase the completed facility pursuant  
35    to Section 15820.941.

36    (b) The review and approval of plans, specifications, or other  
37    documents by the BSCC are for the purpose of ensuring the proper  
38    administration of moneys and the determination of whether the  
39    adult local criminal justice facility specifications comply with law  
40    and regulation. The BSCC may require changes in construction

1 *materials to enhance safety and security if materials proposed at*  
2 *the time of final plans and specifications are not essential and*  
3 *customary as used statewide for facilities of the same security*  
4 *level. Participating counties are responsible for the acquisition,*  
5 *design, construction, staffing, operation, repair, and maintenance*  
6 *of the adult local criminal justice facility.*

7 *(c) The BSCC shall establish minimum standards, funding*  
8 *schedules, and procedures, which shall take into consideration,*  
9 *but not be limited to, the following:*

10 *(1) Certification by a participating county of control of the adult*  
11 *local criminal justice facility site through either fee simple*  
12 *ownership of the site or comparable long-term possession of the*  
13 *site, and right of access to the adult local criminal justice facility*  
14 *sufficient to ensure undisturbed use and possession.*

15 *(2) Documentation of the need for improved adult local criminal*  
16 *justice facility housing with an emphasis on expanded program*  
17 *and treatment space. A county shall not be required to submit a*  
18 *new needs assessment if the county previously submitted a needs*  
19 *assessment for a request under the financing program described*  
20 *in Chapter 3.131 (commencing with Section 15820.93).*

21 *(3) A written adult local criminal justice facility proposal.*

22 *(4) Submission of a staffing plan for the adult local criminal*  
23 *justice facility, including operational cost projections and*  
24 *documentation that the adult local criminal justice facility will be*  
25 *able to be safely staffed and operated within 90 days of completion,*  
26 *as may be applicable.*

27 *(5) Submission of architectural drawings, which shall be*  
28 *approved by the BSCC for compliance with minimum adult*  
29 *detention facility standards and which shall also be approved by*  
30 *the State Fire Marshal for compliance with fire safety and life*  
31 *safety requirements.*

32 *(6) Documentation evidencing compliance with the California*  
33 *Environmental Quality Act (CEQA).*

34 *(7) Provisions intended to maintain the tax-exempt status of the*  
35 *bonds, notes, or bond anticipation notes issued by the board.*

36 *15820.946. (a) The participating county contribution for adult*  
37 *local criminal justice facilities financed under this chapter shall*  
38 *be a minimum of 10 percent of the total project costs. The BSCC*  
39 *may reduce contribution requirements for participating counties*  
40 *with a general population below 200,000 upon petition by a*

1 participating county to the BSCC requesting a lower level of  
2 contribution.

3 (b) The BSCC shall determine the funding and scoring criteria  
4 consistent with the requirements of this chapter. Financing shall  
5 be awarded only to those counties that have previously received  
6 only a partial award or have never received an award from the  
7 state within the financing programs authorized in Chapters 3.11  
8 (commencing with Section 15820.90) to 3.131 (commencing with  
9 Section 15820.93), inclusive. Notwithstanding this restriction,  
10 twenty million dollars (\$20,000,000) of the amount authorized in  
11 Section 15820.942 shall be set aside and awarded to Napa County.  
12 The funding criteria shall include, as a mandatory criterion,  
13 documentation of the percentage of pretrial inmates in the county  
14 jail from January 1, 2015, to December 31, 2015, inclusive, and  
15 a description of the county's current risk-assessment-based-pretrial  
16 release program. Funding preference shall also be given to  
17 counties that are most prepared to proceed successfully with this  
18 financing in a timely manner. The determination of preparedness  
19 to proceed shall include the following:

20 (1) Counties providing a board of supervisors' resolution  
21 authorizing an adequate amount of available matching funds to  
22 satisfy the counties' contribution and approving the forms of the  
23 project documents deemed necessary, as identified by the board  
24 to the BSCC, to effectuate the financing authorized by this chapter,  
25 and authorizing the appropriate signatory or signatories to execute  
26 those documents at the appropriate times. The identified matching  
27 funds in the resolution shall be compatible with the state's lease  
28 revenue bond financing.

29 (2) Counties providing documentation evidencing CEQA  
30 compliance has been completed. Documentation of CEQA  
31 compliance shall be either a final Notice of Determination or a  
32 final Notice of Exemption, as appropriate, and a letter from county  
33 counsel certifying the associated statute of limitations has expired  
34 and either no challenges were filed or identifying any challenges  
35 filed and explaining how they have been resolved in a manner that  
36 allows the project to proceed as proposed.

37 (c) Funding consideration shall be given to counties that are  
38 seeking to replace compacted, outdated, or unsafe housing capacity  
39 that will also add treatment space or counties that are seeking to  
40 renovate existing or build new facilities that provide adequate

1 *space for the provision of treatment and rehabilitation services,*  
2 *including mental health treatment.*

3 *(d) A participating county may replace existing housing*  
4 *capacity, realizing only a minimal increase of capacity, using this*  
5 *financing authority if the requesting county clearly documents an*  
6 *existing housing capacity deficiency.*

7 *(e) A participating county with a request resulting in any*  
8 *increase in capacity using this financing authority shall be required*  
9 *to certify and covenant in writing that the county is not, and will*  
10 *not be, leasing housing capacity to any other public or private*  
11 *entity for a period of 10 years beyond the completion date of the*  
12 *adult local criminal justice facility.*

13 *(f) Any locked facility constructed or renovated with state*  
14 *funding awarded under this program shall include space to provide*  
15 *onsite, in-person visitation capable of meeting or surpassing the*  
16 *minimum number of weekly visits required by state regulations for*  
17 *persons detained in the facility.*

18 *(g) Any county applying for financing authority under this*  
19 *program shall include a description of efforts to address sexual*  
20 *abuse in its adult local criminal justice facility constructed or*  
21 *renovated pursuant to this chapter.*

22 *SEC. 2. This act is a bill providing for appropriations related*  
23 *to the Budget Bill within the meaning of subdivision (e) of Section*  
24 *12 of Article IV of the California Constitution, has been identified*  
25 *as related to the budget in the Budget Bill, and shall take effect*  
26 *immediately.*
